INSTITUTE VISION & MISSION

To produce well trained professionals and leaders for serving society and world at large through excellence in academics, research, development and innovations.

M1 : To provide state of the art facility for academic excellence that caters to regional , national and global challenges.

M2 : To identify emerging areas of technology that can provide innovative and sustainable solutions to global challenges.

M3 : To provide an environment of industry oriented research and development.

M4 : To inculcate core values of professional ethics, teamwork, interpersonal skills and lifelong learning for sustainable development of the society.

DEPARTMENT VISION & MISSION

The word 'VISION' is written in large, bold, yellow capital letters. Above the letter 'I', there are three small red circles arranged in a curved line, resembling a pair of glasses or a stylized 'i'.

To create competent software professionals and leaders for serving society and world at large through excellence in academics, research, development and innovations.

The word 'MISSION' is written in large, bold, yellow capital letters. Above the letter 'I', there are three small red circles arranged in a curved line, resembling a pair of glasses or a stylized 'i'.

M1: Provide strong theoretical and practical computer based skills to meet the global technological changes.

M2: Provide a learning environment to enhance complex problem solving skills, research based projects/activities and innovation.

M3: Establish Industry Institute Interaction Program to enhance the entrepreneurship skills, leadership qualities, team-spirit and ethical responsibilities.

M4: Prepare students for lifelong learning through sustainable development .

Director's Desk

Prof. S.K. Sharma
Director

We are living in a fast-changing world, a changing society, progressing at a galloping speed, the impact of science, scientific research and technological development, globalization on our daily life is vibrant and unavoidable, So the need to be geared up for tomorrow is for greater than ever before. Opportunities before us are immense and the task is onerous.

"Programming is a skill best acquired by practise and examples rather than books"

- Obed Kertich

HOD 's Desk

Prof. J.R. Arun Kumar

Head Of Department

It is an immense pleasure to present this semi-annual E-Newsletter "IMPETUS". CSE Department is dynamic and vibrant department with the blend of young and experienced faculty. Department is actively involved in academic as well as SIH projects and research works in current areas of CSE. The dept. has well equipped labs and classrooms. I congratulate my students to participate in various extra curricular activities. My best wishes to all of you .

"Don't wait for the perfect moment to start coding. Start with the moment and make it perfect"

- Simon Sinek

TESTIMONIALS

Mr. Deepanshu Choudhary

I am thrilled to be part of an institution that feels like a true family. MITRC College has consistently supported its students by encouraging us to explore our passions and interests freely. This nurturing environment has empowered me to grow both personally and academically.

Mr. Lakshay Jain

My time here has been a truly enriching experience, surrounded by incredible peers. We had the privilege of learning from outstanding faculty members who generously shared their expertise and nurtured our growth. A place like this truly deserves all the recognition it can get.

Ms. Vanshita Jain

My journey began at MITRC College, where I discovered the importance of self-directed learning. I have been fortunate to have exceptional mentors like Deepak Sir and Arun Sir, who have guided me through various stages of my educational path. Their support has been invaluable in shaping my future.

Mr. Priyanshu Saxena

I am truly thankful to be a scholar at MITRC. The college has offered me an incredible platform to express my potential. The faculty members are exceptionally supportive, providing guidance and encouragement at every step of my journey.
